

Introduction

HE2XX large screen Thermo-Hygrometer developed by HUATO, which has high precision and recording functions. Adopt imported temperature humidity integrated sensor, fast response and good quality to assure the accuracy and stability.

HE 230T

recording high and low temperature. With clock display, recording temperature and humidity

HE 223H

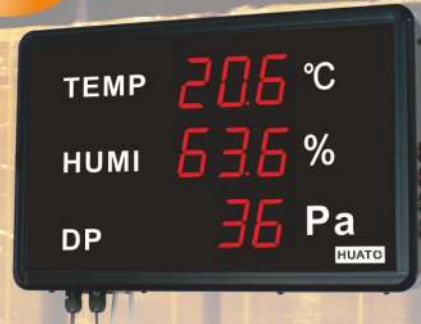

With clock display temperature and humidity recorder, RS232 Interface

HE 223C

Temperature and humidity recorder, RS485 Interface

HE218THP

Temperature and humidity, differential pressure records, RS485 Interface

HE218-TH-CO2

Temperature and humidity, recording CO2, RS485 Interface

HE218B

With calendar temperature and humidity recorder, RS485 Interface
